## ABOUT US

Driveup Consulting developed in a way to Support/ Driveup towards the Targeted Mission and Vision of the Organization. We are your most trusted and respected Financial and Retail Consultants, HR Consultants, Financial Advisors, Professional Management and Business Advisory and Consulting firm recognized by our clients for delivering excellent business expertise services. With our focus set on value addition, we offer our clients the highest quality professional services that address their needs through attracting, recruiting and retaining knowledgeable and passionate professionals who enable us to deliver superior results while contributing positively to the community in which we live and work.

The firm started off with providing audit & Consulting services to small and medium- sized enterprises (SMEs), bridging the service gap between the big audit firms and smaller audit firms in region. We have since expanded our scope of work to provide a full dimension of services to serve our clients better.
